

## ICE CREAM IN A BAG

- sandwich-size zipper-closing bag
- $\frac{1}{4}$  cup half and half
- $\frac{1}{4}$  cup heavy whipping cream
- 1 Tbsp. sugar
- $\frac{1}{2}$  tsp. vanilla
- gallon-size zipper-closing bag
- $\frac{1}{3}$  cup rock salt
- 3 to 4 cups crushed ice

Add the half and half, cream, sugar, and vanilla to a sandwich-size bag and seal it. Shake it to mix. Put this bag in a gallon-size bag and add salt and ice to the larger bag and seal it. Shake the bags for 10 minutes. Wrap it in a towel if it gets too cold. **CF**
